\*Free software conditions: Activation keys for Ignition OPC-UA and Vision Panel Edition are offered at no cost to registered users for qualified uses, and are subject to the same conditions and policies as other Inductive Automation software licenses. "Qualified Uses" excludes OEM/bulk installations, aggregation or incorporation into a secondary product, and other situations in which the software is not used directly by the registered user, or a member of the IA integrator program on behalf of a qualified user.

<sup>1</sup>Read only, requires SQL Bridge Module.
